What is the Walk for Kids and Families?

The Walk for Kids and Families will benefit CfKI by raising funds and increasing awareness of the need for accessibility to early childhood education for low-income families in our community.

The CfKI Walk for Kids and Families will be the kickoff event for the 35th annual James J. Hill Days on Sat. Sept. 12 at Wayzata West Middle School. James J. Hill Days is a community celebration of the Greater Wayzata Area Chamber of Commerce.

We will enlist families, local businesses, faith communities, student and community groups as well as early education programs connected with our initiative to gather participants. Participants will be encouraged to raise pledges in support of CfKI.

Walkers are encouraged (but not required) to raise \$100 or more in pledges for early education scholarships for CfKI. Information to help secure pledges will be included in your registration packet by mail or e-mail.

Activities will be accessible for everyone.

How can I be part of the fun?

- * Bring your children and grandchildren to walk together.
- * Ask co-workers, neighbors and friends to support your walk through pledges.
- * Gather fellow Scouts or groups from your faith community to walk with you.
- * Lead your sports team to a fun filled morning where everyone wins!
- * Bring your friends and enjoy face painting, games and activities before the walk begins.
- * Have fun knowing all money raised will help ensure kids enter kindergarten ready to learn.
